

## SIGHTSEEING

### TOKYO DISNEYLAND

A world class amusement consisting of two theme parks, (Disneyland and Disney Sea) eight hotels and shopping attractions

*Tokyo Disneyland* was opened in 1983 and since its opening it has been the most popular theme park in the world. One of the highlights of the day aside from shows and exciting rides in the park is the breathtaking nighttime parade, the Tokyo Disneyland's Electrical Parade Dream lights. Come and see the Disney's stars

covered in colorful lights which turn the night into a radiant world of sparkling night with Disney music and Disney's favorite characters on the big float.

As of May 29, 2014 premieres the new nighttime entertainment called "Once Upon a Time" a 20 minute heartwarming entertainment filled with fantasy that uses projection mapping technology to produce a three dimensional effect that fits the contours of the Cinderella Castle and other structures.

In Autumn of 2001, *Tokyo Disney Sea* grandly opened; sea romances as its theme, and travels you through seven romantic and thrilling seas and guides you to a New Disney World.

So, when you visit Tokyo, why don't you experience and enjoy the magical world of Disney.
